Dear Friend!

Letters from Union Soldier
Gustavus Wintermeyer to John A. Bentley

John Bentley, whose family resided at Parks-Bentley Place for many years, kept correspondence from his very dear friend who went off to war in 1861 to help preserve the Union. One of our volunteers transcribed those letters and created this unique book as a fundraiser for us. Read the words of this young man as he describes just what it was like to serve in the Civil War.

The book will be available as of September 9 and all of the proceeds from the sale of the book go to Parks-Bentley Place. Retail price for the book is \$19.99 + tax.
